Plan to Modernise the Telephone Exchanges in Tamil Nadu

1512. SHRI PASUMPON THA. KIRUTTINAN: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether there is any perspective plan to modernise the telephone exchanges in Tamil Nadu;

(b) if so, the details thereof together with the total cost involved; and

(c) the names of the places where these exchanges are likely to be modernised?

THE MINISTER OF STATE OF THE MINISTRY OF COMMUNICATIONS (SHRI JANESHWAR MISHRA): (a) Yes, Sir.

(b) Plans to modernise the telephone exchanges in Tamil Nadu during the 8th Plan period are:

(i) Majority of switching systems to be added during the plan period to be electronic type.

(ii) Replacement of all manual exchanges by modern exchanges.

(iii) Replacement of worn out and life expired electro-mechanical exchanges by electronic exchanges. A total outlay of Rs. 3085 crores tentatively has been proposed for all Telecom Systems in Tamil Nadu for 8th plan period.

(c) There are only 25 manual exchanges left in Tamil Nadu as per Statement (enclosed), which are proposed to be automatised during 8th plan period.

In addition, electo-mechanical auto exchanges which are worn out and unserviceable and life-expired are planned to be replaced by electronic equipment subject to availability of resources.
